- **Senior scholarships, we will continue having 3 non-board members read and vote on them.**

Email requests

- **Kindergarten teachers are asking for \$455 for their field trip to the nature center. They also are asking for \$137.04 for bussing but they will pay us back once they receive grant money. We voted no. They need to ask parents for the fee up front and if there is a hardship, we will cover. We are unable to cover the bus fee and be reimbursed due to legalities.**
